

Bus Stop Lookup Instructions

To access the eLink bus stop information system, you will need to go to www.northmontschools.com and click on the Transportation link from the top navigation bar. On the transportation page, you will find a link to Bus Stop Information in the cream colored Transportation box on the right side of the page. At the eLink login screen, please enter your student's ID (lunch code) number with a leading zero for the username. The password is your student's birthdate, in 8 digit format. For example, if your student's birthdate is 8/4/2000, the password is 08042000. You will need to log in to the system for each student, as sibling records are not connected this year.

Once logged in, click the Work with Students link, followed by View My Students. and then your student's name. Your student's bus information will then be shown on the screen. To view your other students' information, click the Logout link in the top right corner of the page, and log in using your other students' information.

Please note that due to the large number of new enrollments over the summer that your student's bus stop and times may be subject to change. To insure you have the most accurate and up to date information please check your account up until the first day of school, and periodically throughout the year.

If you have any login issues or do not have accesses to the internet please contact the transportation department at 832-5050 and they will be happy to assist you.
